CROWN VICTORIA POLICE INTERCEPTOR

PASSES 75-MPH REAR-END CRASH TESTING
Ford Crown Victoria Police Interceptor is the only police pursuit sedan on the market tested to meet 75-mph rear-end crash tests without a fuel-tank puncture. And Ford is the only vehicle manufacturer to publish 75-mph test results.

INDUSTRY-FIRST FIRE SUPPRESSION SYSTEM (FSS) – OPTIONAL
Reduce the risk of injury in a high-speed, high-energy rear impact. As indicated by data from the ABS sensors, a backup timer initiates the FSS 6 seconds after impact - releasing chemicals when the car is coming to a stop. FSS chemicals are stored in an unpressurized liquid state and work on a 2-gas generator setup similar to that used to deploy airbags.
INDUSTRY-FIRST, FACTORY-INSTALLED BALLISTIC DOOR PANEL – OPTIONAL

Shielding against **all Type III rounds**, this panel is certified to National Institute of Justice Standard 0108.01, crash-rated to federal standards and weather-tested from -49°F to 104°F. It’s covert (invisible from the outside) and lightweight, plus it won’t interfere with windows, locks or interior space. Select a panel for the driver’s door only (Option Code 90L) or for both front doors (Option Code 90B).

Visit fleet.ford.com for complete details and to view the F55 demo. With or without F55, the Police Interceptor is a safe choice. In the interest of safety, panel performance specifications have a restricted distribution. Call 1-800-34-FLEET for panel performance specifications. Visit fleet.ford.com for more details. Warning: As with any body armor, protection provided by the ballistic door panel is limited. Certain rounds or combinations of rounds may penetrate the panel and cause serious injury or death. The Crown Victoria ballistic panel manufactured by BLS Textiles is warranted against material and workmanship defects for a period of 6 years provided that the panel is OEM-installed.
SELECT HIGHLIGHTS

ENHANCED FRONT SEATING. For greater comfort and support, seat backs and head restraints are redesigned. Seat-cushion trim is improved with lumbar bolster added.

STANDARD V8. The only squad car in its class standard-equipped with a 4.6L OHV V8 FFV – 250 hp and 297 lb.-ft. of torque.

FFV = EPAct CREDITS. Purchase a Crown Victoria Police Interceptor for your force and you can earn EPAct credits for greater flexibility in choosing the remainder of your fleet vehicles.

ENGINE-IDLE METER. Tracks engine-idle time while the transmission is in P or N, and helps schedule maintenance more accurately.

200-AMP, HEAVY-DUTY ALTERNATOR. Generates up to 200 amps of electrical capacity.

SPEED-SENSITIVE STEERING. Steering assist that adjusts automatically.

REAR-WHEEL DRIVE.

WIDE TRACK. The 65.6-in. rear track width is not only best in the Interceptor class, it makes for precision handling.

BODY-ON-FRAME CONSTRUCTION. The rugged body is secured to a separate frame composed of hydroformed steel (a Crown Victoria exclusive) – built in the durable manner of many full-size pickups.

INTERIOR ROOMINESS. Best-in-class 107.5 cu. ft. of passenger volume – plus a best-in-class 20.6 cu. ft. of trunk space.

POWER-ADJUSTABLE BRAKE AND ACCELERATOR PEDALS.

FULL-SIZE SPARE.

5,000-MILE OIL CHANGE INTERVALS.

5-YEAR/60,000-MILE POWERTRAIN LIMITED WARRANTY. No deductible; goes beyond the 3-year/36,000-mile Bumper-to-Bumper Coverage – see your dealer for details.
STANDARD SAFETY FEATURES

5-STAR SAFE. Rates 5 Stars in all NHTSA
crash test—based on 2010 model-year evaluations.

FRONT-SEAT SIDE AIRBAGS.™

PERSONAL SAFETY SYSTEM™ includes
dual-stage front airbags, safety belt pretensioners,
safety belt energy-management retractors, safety
belt usage sensors, driver’s seat position sensor,
crash severity sensor, restraint control module and
Front-Passenger Sensing System.

ANTI-LOCK BRAKE SYSTEM (ABS).

PASSES 75-MPH REAR-END CRASH TESTS.

OPTIONAL SAFETY & SECURITY MEASURES

TRACTION CONTROL. Detects loss of
traction and corrects to maintain course,
reducing engine power when necessary.

DISABLE - FOR THE COURTESY
LAMPS AND DOOR-LOCK
CONFIRMATION FLASH. Disables
interior courtesy lamps and prevents the
parking lights from flashing when doors lock.

FIRE SUPPRESSION SYSTEM (FSS)
AND FACTORY-INSTALLED BALLISTIC
DOOR PANELS. See pages 2–3.

CUSTOM-FIT TRUNK PACK.® 3,4,5
Helps reduce the risk of injury in a high-
speed rear impact, reduces possibility of
equipment pushing into the back seat, and
lessens risk of equipment penetrating fuel
tank; drop-in design composed of high-
density polyethylene (HDPE) with protective
DuPont™ Kevlar® barrier on front face.

5-STAR SAFE. Rates 5 Stars in all NHTSA
crash test—based on 2010 model-year evaluations.

FRONT-SEAT SIDE AIRBAGS.™

PERSONAL SAFETY SYSTEM™ includes
dual-stage front airbags, safety belt pretensioners,
safety belt energy-management retractors, safety
belt usage sensors, driver’s seat position sensor,
crash severity sensor, restraint control module and
Front-Passenger Sensing System.

ANTI-LOCK BRAKE SYSTEM (ABS).

PASSES 75-MPH REAR-END CRASH TESTS.

2011 model year to be tested. Star ratings are part of the U.S. Dept. of Transportation’s Safercar.gov program (www.safercar.gov). Always wear your safety belt and secure children in the rear seat. Ford recommends police equipment be both secured and laterally aligned—the pack’s center divider helps position your gear laterally. Also available from any Ford Dealer for 1992–current models already in service. Visit fleet.ford.com or see the Police/Fleet supplement for proper trunk-packing considerations and other important safety details. ¨Caution: Do not place stiff or sharp objects in the trunk that could penetrate the fuel tank in a high-speed rear impact.
SPECIFICATIONS:
JUST THE FACTS
For Street Patrol & High-Speed Pursuit

Standard Interior Features

- Air conditioning – Manual
- Audio – AM/FM stereo
- Floor covering – Heavy-duty rubber
- Glove compartment – Illuminated, lockable
- Instrument cluster – With analog gauges
- Integral front-door map pockets
- Interior trunk release – Powered release on center of instrument panel
- Lights – Overhead dome, front map and trunk
- Mirror – Day/night, rearview
- Pedals – Power-adjustable
- Rearaccess power point – Provides 100 amps of current for trunk-mounted equipment
- Seats – Anti-stab plate in back of driver and front-passenger
- Seats – Front buckets with driver’s manual recline
- Seat – Rear vinyl bench; excludes center armrest
- Speedometer – Certified calibration: 0–140 mph (225 kph) in 2-mph (3-kph) increments
- Windows – Power with one-touch-down driver’s side window feature

Standard Powertrain/Functional

- Alternator – High-output, 200-amp maximum; 132-amp at idle (80°F/26.6°C)
- Automatic 4-speed transmission
- Axle ratio – 3.27 (speed-limited to 129 mph/207 kph) or 3.55 limited-slip (speed-limited to 119 mph/191 kph)
- Battery – Maintenance-free, 78-amp-hr (750 CCA)
- Brakes – Power with Anti-Lock Brake System (ABS)
- Coolant recovery system
- Drivetrain – Rear-wheel drive (RWD)
- Engine – 4.6L OHC SEFI V8 FFV with 250 hp and 297 lb.-ft. of torque
- Engine-idle meter
- Engine oil cooler
- FailSafe Engine Cooling System
- Flexible-fuel vehicle (FFV)
- Frame – Heavy-duty hydroformed body-on-frame construction
- Fuel tank – 19-gallon (71.9-liter) capacity
- Ignition system – Coil-on-plug distributorless electronic
- Shock absorbers – Heavy-duty monotube, nitrogen gas-pressurized
- Stabilizer bars – Front and rear
- Steering – Speed-sensitive, variable-assist power rack-and-pinion with power steering oil cooler
- Suspension – Front: heavy-duty short- and long-arm; Rear: Watts linkage
- Tires – P235/55WR17 BSW
- Transmission oil cooler – Oil-to-air
- Upper ball joints – Low-friction, non-greaseable
- Wheels – 17-in. x 7.5-in. heavy-duty steel

Standard Exterior Features

- Decklid – Low-liftover design with battery-powered release on center of instrument panel
- Exhaust system – Dual stainless steel
- Glass – Solar-tinted
- Hub caps – Snap-on steel
- Key lock cylinders – Driver’s side, passenger side and decklid
- Light bar connector – 40-amp battery circuit behind right-front cowl panel
- Mirrors – Black, fold-away, dual remote control, power, heated
- Radio antenna – Integral in rear window
- Scuff plates – Color-keyed, front and rear
- Spare tire – Conventional (full-size)

Standard Safety & Security

- Airbags – Dual-stage driver and front-passenger front
- Airbags – Front-seat side
- Battery saver – Turns off lights after 30 minutes
- Personal Safety System™
- Side-intrusion door beams
- Tire Pressure Monitoring System (excludes spare)

California Public Service/Emergency Vehicle Exception: This exemption may only apply in certain states. Ordering dealer is responsible to contact the proper state authorities for clarification on qualifying exempted vehicles for registration. Only available on units sold for authorized public service or emergency service use. Must also use Code 423 when ordering.

Quality Upfitting

The Making of a Legend, Without Upfit Delay - Summary Benefits of Ford Police Prep Packages

ENGINEERED BY FORD
Model-specific equipment that is developed to fit your 2011 Crown Victoria Police Interceptor. Ensures compatibility in advance of your vehicle being delivered.

TOP QUALITY, TOUGH AND DURABLE
Police Prep Packages have passed Ford’s extreme 10-year/150,000-mile performance standards. Components and installation are verified extensively and exactly as part of the Ford Quality System, which includes crash testing, cycle testing, vibration, EMC compatibility, severe temperature, humidity, plus water and salt corrosion.

HIGHEST STANDARDS
Validated to vehicle manufacturer safety standards, such as Federal Motor Vehicle Safety Standards (FMVSS), Society of Automotive Engineers (SAE) standards and, most importantly, Ford Motor Company standards.

TIME-SAVERS
Saves administrative time, shop time and vehicle downtime, and reduces upfitting time from weeks to days.

MONEY-SAVERS
The packages are included in new vehicle budgets, freeing up other maintenance, upfitting and repair budgets.

REDUCES DAMAGE
Helps eliminate damage from interior disassembly and reassembly. This often occurs twice: when upfitting to put into service and decommissioning to put out of service.

MORE COMPATIBLE
All packages work with the Ford Trunk Pack® and Fire Suppression System. The electrical system of each Police Prep Package will also conform with 98% of the existing lighting, siren and control systems on the market. Some aftermarket police equipment may not be compatible with other Ford options.

FORD LIMITED WARRANTY ASSURANCE
Every package is backed by Ford Dealers and authorized Fleet Maintenance facilities that perform their own warranty work for three years or 36,000 miles.

MODIFICATION CENTER
Options installed in a Ford-approved facility. Vehicle turnaround is often under 24 hours, so no lengthy delays, and options appear at your dealership seamlessly.

OWNERS GUIDE
Each vehicle comes with an Owner’s Guide, which explains all of the options and quick-reference schematics. The current and past model year Owner’s Guides are available online at crown-na.com.

FACTORY-DIRECT PRODUCT AND TECHNICAL INFORMATION
Help with your questions regarding the vehicle, police equipment prep packages and aftermarket installation. Call toll-free: 1-866-402-6838.

FORD CROWN VICTORIA MODIFIER GUIDE
Ford Motor Company has developed an industry-exclusive Crown Victoria Police Interceptor Modifier Guide, which is available for download at fleet.ford.com.

This guide assists vehicle modifiers in producing and installing safe, high-quality aftermarket products. Ford believes that safety and quality come first, and to achieve customer satisfaction, we want to assist modifiers in attaining the highest standards possible in their products.

The following pages detail the contents of each package listed below to help you determine what best meets your needs. Visit crown-na.com or call 1-866-402-6838 for more information.

Base Police Prep Package

The Base Police Prep Package is ideal for fleets that do their own upfitting or that subcontract with a local installation facility. It includes a versatile, model-specific wiring harness to help standardize your Crown Victoria Police Interceptor upfitting. Visit crown-na.com or call 1-866-402-6838 for more information.

The following items are included in every packaged upfitting:

**STROBE PACKAGE – OPTION 65A**
1. 2 FRONT AND 2 REAR STROBE BULBS. Installed in front marker light and taillight lenses. The Strobe Light Power Supply is required to flash Strobe Bulbs.
2. ALTERNATING HEADLIGHT FLASHER (WIG-WAG MODULE). Control wire is accessible at console for connection to customer-supplied positive control switch box.
3. ALTERNATING HEADLIGHT FLASHER OVERRIDE WIRE AND RELAY. Provides for optional override at night.
4. WIRING HARNESS. Includes the following items:
   a. 6 Strobe Light Cables shielded and grounded, pre-run to the front marker lights, taillight lenses and front grille. Industry-standard configuration for addition of customer-supplied aftermarket strobe power supplies
   b. Grille Strobe Light Connectors for plug-and-play lights
   c. Glove Compartment Power Distribution Center fused in engine compartment. 5 power and ground wires for customer use. 5 fuses: 2 battery- and 3 ignition-powered
   d. Trunk Power Distribution Center fused in engine compartment. 4 power and ground wires for customer use. 4 fuses: 2 battery- and 2 ignition-powered
   e. 50-Amp Battery Circuit and Ground, accessible at console only
   f. 50-Amp Battery Circuit and Ground, accessible at console; shared circuit with trunk pigtail harness
   g. 50-Amp Battery Circuit and Ground, accessible at console or trunk for radio communications
   h. 2 Extra Wires pre-run to the front of the vehicle, accessible at console or trunk
   i. Horn/Siren Relay Circuit, accessible at console or trunk
   j. 4 Extra Wires pre-run from the engine compartment to console
   k. 4 Extra Wires pre-run from console to trunk
5. TRUNK PIGTAIL HARNESS. Includes the following:
   a. 2 50-Amp Battery Circuits and Grounds, accessible in trunk only
   b. 50-Amp Battery Circuit shares a circuit with console harness
   c. 30-Amp Ignition Circuit and Ground, accessible in trunk only
   d. 2 Siren/Speaker Wires pre-run to front of vehicle

**LED PACKAGE – OPTION 65J**
Includes 2 LED front corner lights; 2 LED taillamps; alternating headlamp flasher (wig-wag module); alternating headlamp flasher override wire and relay; wiring harness; and trunk pigtail harness.

**BASE LIGHTING PACKAGE**
This package can help fleets – especially those faced with a shortage of manpower and space – get their vehicles into service more quickly. Visit crown-na.com or call 1-866-402-6838 for more information.

Includes contents of the Base Police Prep Package (65A), plus the following:

**STROBE PACKAGE – OPTION 65P**
13. STROBE LIGHT POWER SUPPLY. Includes 6 outlets with front shutdown. Required to flash Strobe Bulbs.
14. 2 HIGH-INTENSITY FLASHING REAR DECK LED LIGHTS. Includes matching interior color housings (Light Camel, Medium Light Stone or Charcoal Black). Red and blue color configuration is standard.

**LED PACKAGE – OPTION 65R**
Includes contents of the Base Police Prep Package LED (65J), plus 2 high-intensity flashing rear deck LED lights. Excludes the strobe light power supply.

---

*LED Limited Warranty: 5 years/100,000 miles. Strobe Bulb Limited Warranty: 1 year/36,000 miles. See your dealer for details. Siren Speaker Limited Warranty: 2 years/36,000 miles. Quality Upfitting (CONTINUED)

Complete Police Prep Package

The Complete Police Prep Package is perfect for fleets that do their own upfitting or that subcontract with a local installer. It includes factory-approved mounting solutions to help ensure safe and secure police equipment. Visit crown-na.com or call 1-866-402-6838 for more information.

Includes contents of Base Police Prep Package (65A), plus the following:

**STROBE PACKAGE – OPTION 68P**

6 CONSOLE MOUNTING PLATFORM. Secured using existing mounting points. The powder-coated aluminum mounting plate is pre-drilled and tapped for the safe addition of equipment.

7 CENTER WIRING CONDUIT. Includes a 2-in. x 4-in. opening. For ease of installation, the conduit will house and protect any additional wires or communications cables from the console to the trunk.

8 HIDDEN MANUAL REAR DOOR-LOCK PLUNGER. Maintains control of rear doors via hidden plunger located in door frame of rear doors. Orderable (Option 948) to maintain rear window operation from driver and front-passenger switches.

9 TRUNK AIR CIRCULATION FAN. Pulls air from passenger area into trunk to help climatize area for equipment.

10 PERMANENT RUBBER TIE-DOWN STRAP. Helps secure trunk lid when carrying larger items like a bicycle.

11 DUAL TRUNK STORAGE BOXES. Maximize trunk space, provide equipment mounts and have clear, protective covers.

12 REAR TRUNK COMMUNICATIONS SERVICE TRAY. Slides on heavy-duty tracks. Used for equipment mounting. Shipped with secure spare tire.

**LED PACKAGE – OPTION 68B**

Includes contents of the Complete Police Prep Package (68P), plus console mounting platform; center wiring conduit; hidden manual rear door-lock plunger; trunk air circulation fan; permanent rubber tie-down strap; dual trunk storage boxes; and rear trunk communications service tray.

**Visibility Package**

This package can help fleets that are short of manpower and space put their vehicles into action faster. It includes plug-and-play lighting components and mounting solutions. Visit crown-na.com or call 1-866-402-6838 for more information.

Includes contents of Complete Police Prep Package (68P), plus the following:

**STROBE PACKAGE – OPTION 65W**

13 STROBE LIGHT POWER SUPPLY. Includes 6 outlets with front shutdown. Required to flash Strobe Bulbs.

14 2 HIGH-INTENSITY FLASHING REAR DECK LED LIGHTS. Includes matching interior color housings (Light Camel, Medium Light Stone or Charcoal Black). Red and blue color configuration is standard.

15 VISIBILITY SWITCH PANEL. Includes 4-position slide switch and 4 rocker switches. Controls strobos, LEDs and alternating headlight flasher. Capable of controlling 8 lighting functions. Installed to console with bracket.

17 LIGHTING RELAY CENTER. Fused at 150 amps through 8 relays. 8 fuses. 8 outputs available in trunk for connection of customer-supplied lighting. Use with the Visibility Switch Panel.

**LED PACKAGE – OPTION 65H**

Includes contents of the Complete Police Prep Package LED (68B), plus 2 high-intensity flashing rear deck LED lights; visibility switch panel; and lighting relay center. Excludes the strobe light power supply.
Ready-for-the-Road Package

The Ready-for-the-Road Package helps fleets get into action more quickly and efficiently. It includes plug-and-play lighting components and mounting solutions. Visit crown-na.com or call 1-866-402-6838 for more information.

Includes contents of Complete Police Prep Package (68P), plus the following:

### STROBE PACKAGE – OPTION 65U

11. **DUAL TRUNK STORAGE BOXES.** Maximize trunk space, provide equipment mounts and have clear, protective covers.

13. **STROBE LIGHT POWER SUPPLY.** Includes 6 outlets with front shutdown. Required to flash Strobe Bulbs.

15. **2 HIGH-INTENSITY FLASHING REAR DECK LED LIGHTS.** Includes matching interior color housings (Light Camel, Medium Light Stone or Charcoal Black). Red and blue color configuration is standard.

16. **LIGHTING AND SIREN CONTROLLER.** Programmable with 4-position slide switch, 13 illuminated buttons and 5 siren tones. Installed to console with bracket.

17. **LIGHTING RELAY CENTER.** Fused at 150 amps through 8 relays. 8 fuses. 8 outputs available in trunk for connection of customer-supplied lighting. Use with the Lighting and Siren Controller.

18. **RJ11 SERIAL CABLE.** Pre-run from console to trunk for connection between lighting and siren controller and remote siren amplifier.

19. **REMOTE SIREN AMPLIFIER.** Meets California Code of Regulations (CCR) Title 13, Article 5. Utilizes horn/siren circuit for activating siren and changing tones. Radio rebroadcast, common microphone input and second siren/speaker output in trunk. (Microphone kit not included.)

20. **2 GRILLE STROBE LIGHTS.** Installed with mounting brackets. Red and blue color configuration is standard.

21. **100-WATT SIREN/SPEAKER.** Includes replaceable driver. Installed with mounting bracket. Sound output meets Society of Automotive Engineers (SAE) J1849 and Class A 500-ft. audibility.

### LED PACKAGE – OPTION 65S2

Includes contents of the Complete Police Prep Package LED (68B), plus 2 high-intensity flashing front grille LED lights; lighting and siren controller; lighting relay center; RJ11 serial cable; remote siren amplifier; and 100-watt siren speaker. Excludes the strobe light power supply.

---

3. Excludes the strobe light power supply.

Complete Police Prep Package (68P), Visibility Package (65W) and Ready-for-the-Road Package (65U) are not available with the Police Power Pigtail (179) or the cloth split bench seat (P) and utilize circuits provided by the standard power distribution connector, light bar connector and rear-access powerpoint. Crown Victoria Police Interceptor equipment packages are covered under the New Vehicle Limited Warranty of 3 years/36,000 miles except where noted. LED Limited Warranty: 5 years/100,000 miles. Strobe Bulb Limited Warranty: 1 year/36,000 miles. See your dealer for details.

4. Not available with Police Power Pigtail (179) or the cloth split bench seat (P) and utilize circuits provided by the standard power distribution connector, light bar connector and rear-access powerpoint. Crown Victoria Police Interceptor Packages are covered under the New Vehicle Limited Warranty of 3 years/36,000 miles except where noted. Siren Speaker Limited Warranty: 2 years/36,000 miles. See your dealer for details.
Equipment Mounting Guide

Clear Area Around Standard Dual-Stage Front Airbags

1. 775 mm (30.5 in.) cross section through center of vehicle (driver's side shown)
2. 241 mm (9.5 in.) from center of airbag door
3. 399 mm (15.7 in.) from center of airbag door
4. 724 mm (28.5 in.) wide
5. 429 mm (16.9 in.) driver's side
6. 599 mm (23.6 in.) front passenger side compartment

NOTE: No objects should be placed between the airbags due to airbag variability.

Clear Area Around Standard Front-Seat Side Airbags

7. 699 mm (27.5 in.) up from side airbag module
8. 381 mm (15 in.) forward of seat back
9. 203 mm (8 in.) from outboard side of seat

WARNING: Aftermarket police equipment (such as communications gear) must not be mounted in the airbag deployment zone. Vehicles equipped with bench seats may not have sufficient room to mount such equipment. Bucket seats may be required.

Clear Area Around Center Console

10. Area on top of instrument panel
11. Area in front of center console from tunnel up to instrument panel
12. Prisoner screen
13. 254 mm (10 in.)
14. Area on tunnel between seats
15. Height: 216 mm (8.5 in.)
16. 305 mm (12 in.)
17. Area on tunnel beneath center console
18. Tunnel
19. Depth: 38 mm (1.5 in.)
20. Equipment mounted on top of instrument panel must not interfere with driver visibility
21. Area on tunnel between seats
22. 229 mm (9 in.)
23. 305 mm (12 in.)
24. Equipment mounted on top of instrument panel must not interfere with driver visibility
25. The airbag door must be kept clear for deployment of airbag
26. Area in front of center console from bottom of ashtray to top of instrument panel (see No. 1 for dimensions)
27. 279 mm (11 in.) width centered horizontally on ashtray door

Appearance

Two-Tone Paint Treatments

OPTION 952: Accent paint on front and rear doors, roof and pillars; bodyside moldings are accent color.

OPTION 953: Accent paint on hood, roof, A- and C-pillars and trunk lid; bodyside moldings are primary color.

OPTION 955: Accent paint on front doors and roof; bodyside moldings are primary color.

OPTION 956: Accent paint on front doors and roof; bodyside moldings are accent color on front doors and primary color on rear doors.

NOTE: Exterior colors are available in 3 different two-tone configurations. Accent color can be any of the available exterior colors. Street Appearance Package includes retail exterior color options only.

Vehicle Special Order (VSO) facilitates customized solutions for fleet customers with special needs by providing special paint options that are not offered through regular or fleet-only production. VSO offers 30 special paint colors not found on the regular Car Exterior Color Selection chart. VSO can also formulate a new paint color and/or two-tone configuration to meet your needs. Visit fleet.ford.com to view VSO paint options and two-tone configurations.

EXTERIOR INTERIOR

NOTE: Because of occasional variations in printing, consult your Ford Dealer to ensure that the color choice you make is correct. Colors shown are representative only. See your dealer for actual paint/trim options.

Visit fleet.ford.com for more information on colors and special paint options.

EXTERIOR

A Light Camel B Medium Light Stone C Charcoal Black

NOTE: Street Appearance Package color. For exterior/interior availability, please see your Order Guide.
For Special Investigation

Standard Features (Content based on Fusion SEL)

- 275-volt sealed nickel-metal-hydride (NiMH) battery
- Anti-theft perimeter alarm
- Audio - AM/FM stereo/6-disc in-dash CD changer, MP3 capability and 6 speakers
- Audio - SIRIUS® Satellite Radio
- Dual-zone electronic automatic temperature control
- Easy Fuel® capless fuel filler
- Engine - 2.5L iVCT I-4 Atkinson-cycle with electronically controlled continuously variable transmission (eCVT)
- Ford SYNC®
- Front-wheel drive
- Mirrors - Power sideview
- Powerpoints (2)
- Power windows with one-touch-up/down driver's side window feature
- Regenerative Braking System
- Reverse Sensing System
- Seats - Cloth, sport bucket
- SmartGauge® with EcoGuide
- Steering wheel-mounted cruise control
- Tilt/telescoping steering column
- Wheels – 17-in. 15-spoke painted aluminum

Standard Safety & Security

- AdvanceTrac® electronic stability control
- Airbags - Front-seat side, driver's knee, and front and rear side-curtain
- Brakes - Power 4-wheel disc with Anti-Lock Brake System (ABS)
- Integrated keyhead transmitter remotes (2)
- LATCH - Lower anchors and tether anchors for child-safety seats
- SecuriLock® Passive Anti-Theft System
- Tire Pressure Monitoring System®
- Personal Safety System® for driver and front passenger – Includes dual-stage front airbags, safety belt pretensioners, safety belt energy-management retractors, safety belt usage sensors, driver's seat position sensor, crash severity sensor, restraint control module and Front-Passenger Sensing System

Fusion Hybrid Modifier's Guide is available at fleet.ford.com for download. Fusion Hybrid may not be used as an ambulance or as a pursuit vehicle (no excessive speed). For deployed airbag clearance zones, refer to the Modifier's Guide for mounting aftermarket equipment.

Customer Service - Resources

Ford Extended Service Plans (ESP) for Police Vehicles

Choosing ESP from Ford Motor Company enables you to budget your fleet expenses more easily and accurately. Ford ESP lets you lock in tomorrow's costs at today's rates. Ford ESP offers these additional benefits:
- Component protection
- Deductible options
- Emergency roadside assistance
- Transferability
- Ford backing
- Rental car reimbursement

Genuine Ford Collision Replacement Parts

Dependability is crucial. To do your job, you depend on every piece of your equipment to function as it was designed. The same goes for your police unit, and if you're ever in an accident, you can depend on genuine Ford collision replacement parts: sheet metal, bumpers, and lights to help restore your vehicle to pre-accident condition. Genuine Ford collision parts are equal in quality, fit, and structural integrity to the original parts that came on your car because they are the same parts used in the production of new vehicles. Designed, engineered, and produced by Ford Motor Company to meet Federal Motor Vehicle Safety Standards. Cheap imitation parts can't make that claim. So don't settle for anything less dependable than genuine Ford collision replacement parts.

Vehicle Special Order

Vehicle Special Order consists of a unique team of Sales, Engineering and Assembly Plant experts who are dedicated to providing you the special equipment and/or special paint options you require to grow your fleet business. VSO offers special options for the Police Interceptor. If you are looking for special equipment not currently offered, please contact your Ford Dealer to help determine whether or not your request is feasible. To find out how VSO can develop an option for you, please visit the fleet.ford.com website.

Quality Fleet Care

Quality Fleet Care is a centralized billing service you can use to make a single monthly payment on behalf of your entire fleet for maintenance and repairs performed at participating Ford Dealers and Quick Lane Tire & Auto Centers. Over-the-counter part purchases at participating Ford Dealers can also be included. There is no enrollment fee, no per-vehicle fee and no administration fee for warranty-covered repairs. Plus, you preset your drivers’ spending limits, which cannot be exceeded without your approval. Visit fleet.ford.com/qfc or call 1-800-367-3221 for more information.

How Much Equipment Can You Get This Year With $100,000?

The Ford Credit Municipal Lease/Purchase Finance Program is a flexible funding method available to state and local governments to finance "essential use" equipment. This program can help you acquire needed vehicles at today’s prices, while taking advantage of low, tax-exempt interest rates and avoiding large lump-sum expenditures.

<table>
<thead>
<tr>
<th>Benefit</th>
<th>Option A: Purchase today in cash.</th>
<th>Option B: Purchase with the Ford Credit Municipal Lease/Purchase Finance Program.</th>
</tr>
</thead>
<tbody>
<tr>
<td>LEARN MORE ABOUT IT</td>
<td>• Contact your local Government Account Manager or your Ford Dealer’s Commercial Account Manager • Visit fordcredit.com/municipal • Call 1-800-241-4199</td>
<td>• Avoid the repercussions of a tax increase, or the expense and complexity of a bond issue to finance equipment acquisitions • Optional Ford Extended Service Plans and vehicle accessories may be included in the amount financed: Ford Credit Municipal Finance handles all of the financial arrangements, offering highly competitive rates that provide lower payments • Flexible payment schedules, including monthly, quarterly or annual payments, can be arranged to meet your financial requirements – consult your tax advisor to determine whether you qualify for tax-exempt financing</td>
</tr>
<tr>
<td>BENEFITS</td>
<td>• Maximize limited budget funds, as only the current year’s lease payments are included in the operating budget • Accumulate equity with each payment and realize ownership with a final payment of $1 at lease end • No down payment or security deposits are required</td>
<td></td>
</tr>
</tbody>
</table>
An industry first, this board is composed of 26 leading officials who help Ford refine current vehicles and develop future offerings. In addition to acting as a liaison and resource for law-enforcement agencies nationwide, the Police Advisory Board provides frank and direct feedback on the products, programs and policies of Ford. The advisory board’s input on safety, reliability and durability is essential to Ford Fleet’s resolute commitment to serving unique police operational needs. Please visit fleet.ford.com for additional information on the Police Advisory Board.

Some features discussed may be optional. Vehicles shown may contain optional equipment. Features shown may be offered only in combination with other options or subject to additional ordering requirements or limitations. Dimensions shown may vary due to optional features and/or production variability. Information in this brochure was developed from Order Guides as of April 2010. Following publication of this catalog, certain changes in standard equipment, options and/or production delays may have occurred which would not be included in these pages. For more information, visit fleet.ford.com. Ford Motor Company reserves the right to change product specifications at any time without incurring obligations. All comparisons based on 2010 competitive models.
